IMPORTANT NEWS

Let's All Vote: Primary Election Day Has Been Changed to June 2, 2020

Please note the County announced **Consolidated Voting Places** for June 2 PA Primary.

Our voting locations is constantly changing so please look out for a card in the mail from Allgheny County. Our current voting location is:

Kingsley Association
6435 Frankstown Avenue

Due to COVID-19, you can now do a mail in ballot vote, which is different than the absentee ballot.

Absentee ballot - If you plan to be out of the municipality on election day or if you have a

disability or illness, you should request this ballot type, which still requires you to list a reason for your ballot.

Mail-in ballot - Any qualified voter may apply for a mail-in ballot. You may simply request this ballot without a reason.

To apply for an absentee ballot, download and print the absentee ballot application and send it to your county election office.

In order to request either ballot type, you must be registered to vote. Please visit [Check Your Registration Status](#) to review your registration information.

For more information or to find out about deadlines, please go to [votespa.com](#).

Contrary To Popular Belief, Your Vote Does Count!
